

# High Impact Communication with NLP

1 Day

Increase your personal influence and persuade others to agree with you. Find out how hypnotic language, rapport-building strategies and information coding techniques can be used to add impact to any message. Discuss ways to stop difficult people pushing your buttons. Then find out how to make them listen when you speak. NLP will give you the tools you need to build success in any business context!

## What you'll learn to do in this course

You'll come out of this session with powerful tools for using NLP models in your business. We'll bring theory to life and tell you how to succeed. A range of practical tips will be presented to you. You'll talk through examples and enjoy hands-on exercises. At the end of the course, you should be able to:

- Use NLP tools to influence other people
- Get your point across confidently
- Entice others to listen when you speak
- Build rapport quickly and easily
- Use hypnotic language to charm a group
- Stop other people pushing your buttons
- Turn around difficult situations

## Topics you'll cover
