

# Spice Up Your Computer Training

## 1 Day

Computer training needn't be bland. Learn how to charm, engage and involve your audience. Add some zing to your session with accelerated learning techniques. Get people up and moving – with a purpose. Spice up your delivery by using charismatic body language and telling captivating stories. You'll be a star once you've completed this course!

### What you'll learn to do in this course

You'll come out of this session with powerful tools for getting great results from computer training. We'll bring theory to life and tell you how to succeed. A range of practical tips will be presented to you. You'll talk through examples and enjoy practical exercises. At the end of the course, you should be able to:

- Make computer training interactive and fun
- Cater to all styles of learner
- Keep participants' energy high all day
- Tell great stories to engage learners
- Get great results every time you step into the training room

### Topics you'll cover

- Accelerated learning in the computer lab
- Matching learning styles
- Connecting with your group
- Turning examples into stories
- Stagecraft for computer trainers
- Practical session

“think  
learn?  
succeed”

“Smart training for clever people”

### What others have said about this course...

“Wow! A lot of content was covered and practical application of key ideas was always included. I have learnt a lot and keen to implement back at work.”

“The course presentation was informative, helpful and entertaining. The pace of the presentation was lively and participants were continually involved.”

“Excellent in every respect – content and delivery was exceptional.”
