

Strategic Planning

1 Day

Decide how to become a really strong team and create an action plan that will help you charge towards team success. The agenda for this session will be negotiated with your team. Some ideas to inspire you are listed below.

What you'll learn to do in this course

You'll come out of this session with a concrete team plan that will help you achieve success. We'll guide you through exercises and discussions that will help the team solve problems and create workable action plans. You'll talk through challenges and enjoy practical exercises. At the end of the workshop, you should be able to:

- Talk through the strengths and weaknesses of your team
- Complete a SWOT analysis
- Develop a team vision
- Create a five year, three year and 12 month business plan
- Build an effective communication strategy

Topics you'll cover

- Team assessment: how well are you working together?
- SWOT analysis
- Solving problems
- Creating the team's vision
- Setting goals for future success
- Planning your communication

“think
learn?
succeed”

“Smart training for clever people”

What others have said about the course...

“Was well presented and gave an understanding of the different levels and goals of people within the workplace. The course was helpful for people to voice their opinions.”

“Eleanor was very effective in obtaining team responses. The group was shown to be an effective team without knowing they were...”

“Good discussion of relevant issues re teamwork. Informative and interactive. Constructive.”
