

Think Success With NLP

2 Days

Get your team to think with charged, creative gusto! By throwing away old, unhelpful thought patterns and taking on new, positive ones your team will hurtle towards success. Together you will build an exciting vision that everyone wants to be a part of. Hear how to “program success” by redesigning thinking strategies. See how to create a compelling team vision. Try out new ways of feeling resourceful. This is a great program for an entire team to attend together.

What you'll learn to do in this course

You'll come out of this session with powerful NLP tools for team success. We'll bring theory to life and tell you how to succeed. A range of practical tips will be presented to you. You'll talk through examples and enjoy practical exercises. At the end of the course, you should be able to:

- Find out what NLP is
- Get everyone motivated to achieve
- Overcome thinking habits that block success
- Create positive new ways of working
- Solve problems easily
- Enjoy change
- Create an inspiring blueprint for success

Topics you'll cover

- How NLP works
- Tapping into the mind's potential
- Programming a team for success
- Thinking patterns that build motivation
- Using models of excellence
- Creating a timeline for success

“
think
learn?
succeed

“Smart training for clever people”

What others have said about the course...

“Fantastic introduction to NLP. I am intrigued to learn more about the techniques.”

“Excellent in all respects – content, presentation, activities, presenter.”

“Thank you for a well presented, interesting course. There was a good mix of theory and practical work. This, together with the provision of extensive notes will allow me to keep going over the strategies learnt.”
