

PlayBack Learning

Want to add spark to your training event? Then you want PlayBack Learning®. Actors replay your group's real life stories. The facilitator draws out key themes from these stories. Links back to course content are created.

“think
learn?
succeed

“Smart training for clever people”

Choose PlayBack Learning® if you want:

- Your course or conference to stand out
- A high energy, fully interactive session for your team
- Two actors to act out your group's scenarios during the training
- Learning that sticks in the memory of your course participants

PlayBack Learning® brings your team's experience to life. This promotes learning because it:

- Builds team identity
- Makes course content easy to digest
- Takes the sting out of tough issues

With your package you receive:

- Your pick of subjects from the courses on our off-the-shelf program
- Two actors to act out your team's stories
- A facilitator to lead your training
- Course workbooks for up to 16 people

Optional extra:

- CD containing a summary slideshow, mind programming MP3 and interactive templates for applying course principles in the workplace. \$33.00 per person.

Price : \$5,500.00 for a full day

We bring our own equipment and deliver your course at your site.

*An additional charge of \$22.00 per person is added to the course fee, for course notes
